

Hi, my name is Vicki Kaminski. I am a Major Facility Cashier at the Sportplex and have been employed with the City of Regina for the past 6 years.

Dedicated to learning and helping create a safe, respectful and equal opportunity working environment for all of our union members is of utmost importance. Working with various unions during my career members right have always been at the forefront. Member engagement creates a strong union, knowledge is empowerment. Working as a casual for 2 years made me aware of how uninformed many employees are regarding rights, resources, benefits and help when facing difficult situations in the workplace.

During my term position as Mail Clerk with the City, I was able to visit almost all of our facilities. Asking questions and learning as much as I can about the various departments and their functions was extremely educational. Each department with its own challenges and concerns but all with one goal, to protect and support our members.

This upcoming election I will be running for three spots, Recording Secretary, Open Space/Grievance Chair and Executive at Large-Diversity/Inclusion. I know I can have meaningful contributions to each position. Having been at Canada Post for 17yrs and constant battles with management for worker's rights and making sure our contracts were upheld have given me the determination and backbone to support my fellow workers. Also being injured in the workplace and being classed as a modified worker I fully understand the pressures that can be put on employees and the obligations of the employer to provide safe and productive workspaces and opportunities to our members.

I look forward to representing all of our brothers and sisters because we all have a voice. Please feel free to reach out to me if you have any questions at [miss\\_vivian85@hotmail.com](mailto:miss_vivian85@hotmail.com).

In Solidarity,

Vicki Kaminski.
