Annual Scholarship Awards

The Union Executive Board has given its approval to provide seven (7) five-hundred-dollar (\$500.00) scholarships to members, or children or wards of our members, for first (1st) year post-secondary education.

To qualify for the scholarship, the student must meet the following requirements:

1. The applicant must be a current member or dependent of a current member in good standing of Local 21.
2. The applicant must be a 1st year post-secondary student.
3. The applicant must provide a cover letter explaining who they are and their connection to Local 21.
4. The applicant must explain what program they are enrolled in.
5. The applicant must provide proof of current year registration of the post-secondary institute that they will be attending.
6. The applicant must provide a copy of their official Grade Twelve (12) marks.
7. The applicant must provide the essay as outlined below.
8. The applicant must submit their application to Local 21 on or before **August 30**.
9. The applicant can only apply once.

The applicant will be evaluated on this basis:

1. Eighty percent (80%) will be based on the average of the grade twelve (12) marks.
2. Twenty percent (20%) will be based on a 250-word essay (1 page) answering the following question:

Why are Unions Important to Society?

The essay will not be marked; receipt of essay with the application is all that is required to obtain these points.

The winning scholarship applicant(s) may have their essay published on the Unions website or other Union publications and is the property of Local 21.

Good luck to all the applicants.
