

Since 2006, I have volunteered my time as a non-elected member, effectively and diligently representing Local 21 sisters and brothers as chair of the Re-Class Committee. I have demonstrated clear working knowledge of the Collective Agreement and its application.

Joining the Local 21 Working Committee in March 2016, to my current role as A/president, my focus has been on the issues affecting our members:

- Contract Negotiation Bargaining Team
- Duty To Accommodate / Return To Work / Investigations
- Joint Job Evaluation Project / EMP Centre / Pension
- SEA - Sask Employment Act
- Service Employee Recalls
- Creation of New Permanent Local 21 Positions

As the current Vice and A/President, I have been instrumental in due diligence, ensuring the integrity of processes and supporting our members at employer meetings. Advocating for consistency, fairness and getting the support for our members when needed. All decisions are defensible, sustainable and in the best interest of the majority of our membership.

The L21 President position is not an entry level position. The opportunity to represent & serve as Vice President and A/president on the New L21 Executive table and contribute to Local 21's mandate of enhancing the Rights, Responsibilities and Opportunities of its membership, is an honour and privilege.
